VALO[®]

Comfort & function

never looked so good

Comfort in the conference room has never been easier thanks to Cub.

Rugged loop arms are standard and the reclining lockable backrest ensures the best ergonomic support. The easy to use paddle makes height adjustment a snap and the durable base provides stable chair support.

Shown in standard black with the optional slip covers which cover the back and seat, Cub can also be upholstered in a variety of material should this be required.

The affordably priced Cub is available as a conference chair and a matching task chair, Scout.

CB3712

Contoured Seat & Back

The sculptured seat and back together with the tension adjust synchron mechanism are ideal for many hours of comfortable seating.

Adjustable Lumbar Support

The adjustable back height ensures that the lumbar support can be moved into the most ideal position.

Adjustable Seat Depth

The adjustable back enable the seat depth to be controlled enabling both smaller and larger people to sit comfortably.

Tension Adjustment

The tension to the synchron mechanism enables the chair to comfortably support people of differing weights.

Fixed Arms

Armrests with durable arm pads are fixed to ensure comfortable seating and they your meeting room always looks presentable.
