

seatwise task chair

VALO[®]

ergonomics & economics

harmoniously co-exist in a chair

SW9840

The Seatwise Task is the natural chair for your office. It responds to you—your size, form, even work—regardless of where you are doing your sitting. The backrest actually moves with you, responding dynamically as you go about your work day. It's simple to use, combining ergonomics, looks and affordability.

And it's made by Valo—where style, comfort and value are intricately woven to create furniture that works for you.

Contoured Seat and Back

Provides body-countoured support while you sit. The seat waterfall front edge reduces leg pressure.

Dynamic Support

Backrest angle with tension adjustment supports the back dynamically as you move, or can be locked into your preferred position.

Adjustable Backrest

Simple touch-latch backrest height adjusts 4" for optimal lumbar support.

5-Star Base

Flat top provides comfortable feet support.

SW9820 Medium Back Task Chair:

The medium back task chair fits anywhere in your office. The backrest angle with tension adjustment supports the back dynamically as you move. Found the perfect position? It's easy to lock as well. The touch latch backrest height adjusts 4".

SW9840 Tall Back Task Chair:

Features ergonomic support for your all-day comfort. The backrest angle with tension adjustment supports the back dynamically as you move, or can be locked in the desired position if you prefer. The touch latch backrest height adjusts 4" for optimal lumbar support. Available with optional adjustable armrests.

SW9827 Stool:

The standard stool in the industry, the Seatwise Stool is available in 2 different height pneumatic cylinders—(M) Medium or (T) Tall. The Seatwise Stool also features the backrest angle with tension adjustment to support the back dynamically, or it can be locked in your desired position. The standard sturdy, height adjustable footing, supports the weight of the user.
