ace nesting and stacking chair

The multi-purpose
nesting and stacking chair

Ace defines what an affordable nesting/stacking chair should deliver. Designed to be the "go to" seat when you need functionality to enable easy set ups, removal, storage and the ability to ensure a comfortable sit over time especially during long training sessions and company-wide meetings.

Ace is a nesting chair that also stacks up to 4 on the ground. It is available with an optional writing tablet and upholstered pad for the backrest which makes this chair ideal for meeting and training sessions in places that need to be configured, reconfigured and broken down to accommodate a variety of needs. The flip-up arms allow ace to nest easily for storage.

Horizontal Slotted Poly Backrest

Ensures great support through the breathable back design that provides a really good sit over time.

Optional Anti-Panic Writing Tablet

Has the option of an anti-panic left or right hand writing tablet to make this chair perfect for educational, training, or meeting sessions that require an area for writing or to use your electronic devices.

Flip-Up Seat and Arms

Offers a flip-up seat and arms to enable easy stacking and nesting of chairs in between uses.
