

coco chair

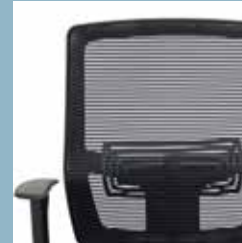

# The New Classic

To bring style to the space

Coco is an elegant chair with a simple design that also provides maximum functionality. This classic syncro chair has height adjustable arms, an upholstered seat with mesh back and an adjustable ratchet height backrest with lumbar support to ensure a classy look and a fabulous sit.

This chair delivers style that is accented with a breathable mesh back which has lumbar support to create a custom fit for the user. The height adjustable arms, a five star base and the option to add-on a replaceable slip cover for the seat further enhance the design to make Coco a perfect choice for an environment that encourages workers to be unique.

## Mesh Back with Lumbar Support

Allows for the ventilation and maximum dissipation of body heat while the lumbar support ensures a comfortable and correct posture while seated over time.

## Height Adjustable Arms

Lets you easily adjust arms into a number of positions to best suit the individual user.

## Adjustable Height Backrest

Makes the chair customizable to your best sitting position by adjusting the height of the backrest to where it is most comfortable for you.

**CO7302 - Coco Chair**  
Coco is an easy choice to make for any environment today as it seamlessly allows for functionality and is simplistic to adjust by the user. This task chair will perform and give you years of seated comfort and its durability will make it a classic. With the option of a slipcover for the seat, you can add a fashionable color to further enhance design.

**CO7302M & CO7302T - Coco Stool**  
Coco stool is available in 2 different heights - Medium or Tall. The stools incorporate all the features of the task chair and will meet the needs of applications that require different heights.
