

jax stool

A Sturdy Stool

To enliven any environment

Jax is a comfortable stool with a black frame and a round upholstered seat available in four mesh colors – green, orange, navy or black. It has an adjustable height, a footrest, and the option of adding a backrest. Jax does not need all the bells and whistles to deliver a great sit over time.

This colorful character stool is a great complement to any environment that requires flexibility and fun to manage all the tasks at hand. Jax will be that favored sidekick that works hard to promote a successful team.

Upholstered Seat

Is available in four mesh colors – green, orange, navy or black to enliven your environment.

Optional Backrest

Offers an optional backrest, also upholstered in four mesh colors, to make the stool appealing to those that like to have more seated support.

Black Frame with Footrest

Has a sturdy black frame and footrest to ensure comfortable seating over time.
