### Mesh Back

Allows for the maximum ventilation and dissipation of body heat through the breathable mesh fabric that contours and supports the users back for ergonomic support.

### Armrests

Ensures all users are accommodated through the armrests with soft pads that can be lowered to seat height or simply removed altogether.

### Industrial Strength

Offers greatly strengthened components that enable the chair to be used 24/7 and to comfortably hold weight up to 400 pounds.

### Backrest Angle & Tension

Makes it easy to adjust the chair to best suit the user's needs through the backrest angle and tension that assists in reducing stress on the body.

QUICKSHIP: QuickShip Standard with black upholstery has a lead time of 2 days for orders up to 50 chairs. QuickShip Color lead time is 7 days, for orders up to 20 chairs. For more than these quantities, please check lead time with Customer Service. Products ship unassembled - assembly is required.
